

Walking Distance

PLUTO
FILM

“ Fede, who is lonely and obese, discovers a passion for photography and makes two new friends in an urban fairy tale which shows how stepping out of one’s comfort zone can open up a new world. ”

Synopsis

A heart-warming story of Fede who discovers his passion to photography and his two new friends help him to find a way from his loneliness and four walls of his apartment. The three friends - an obese Fede, his brother-in-law Ramón and Paulo, a lonely teenager who loves comic books - form a friendship that completely changes their lives.
