Synopsis

The love story between Maryam and Gabriel starts by coincidence but feels like a match made in heaven. It also marks an emotional tide change in Maryam´s life in Berlin as a single mom of three daughters. Only one crucial thing stands between her, Gabriel and a “happily ever after” – prison bars. Nevertheless, the love Maryam feels empowers her not only to live in the moment, but to be true to herself when Gabriel suddenly starts to show a different side to his character.
